- AP Scholar with Distinction

## LEADERSHIP/ EXTRACURRICULARS

---

### Vive Wellness

*Youth Coordinator*

*June 2021*

- Organized activities with other coordinators in parks around the city of Denver to exercise and educate children about health. Guided younger coordinators in setting up activities and interacting with children.
- Taught introductory swimming classes in the community pool for adults and children.

### MAST Academy Physics

*Teacher's Assistant*

*2021-2022 School Year*

- Helped teach physics to other students in my highschool through the recommendation of my physics teacher. Went over homework with students, answered questions during class, guided younger students on their roadmap to college.
- Explained math topics in physics a lot of students struggled with such as trigonometry and algebra. Made students feel more comfortable dealing with word problems and problem solving by going over test answers with students.

### Mu Alpha Theta (Math Honor Society)

### Science Honor Society
